

The image features the Chinese characters '色彩' (Color) constructed from various colored LEGO bricks. The characters are positioned on a background of overlapping geometric shapes in yellow, white, orange, and light blue. Scattered around the main text are several individual LEGO bricks in colors including green, blue, orange, yellow, and purple. The overall composition is vibrant and playful, emphasizing the theme of color.

色相

色相(hue)是顏色的名稱。

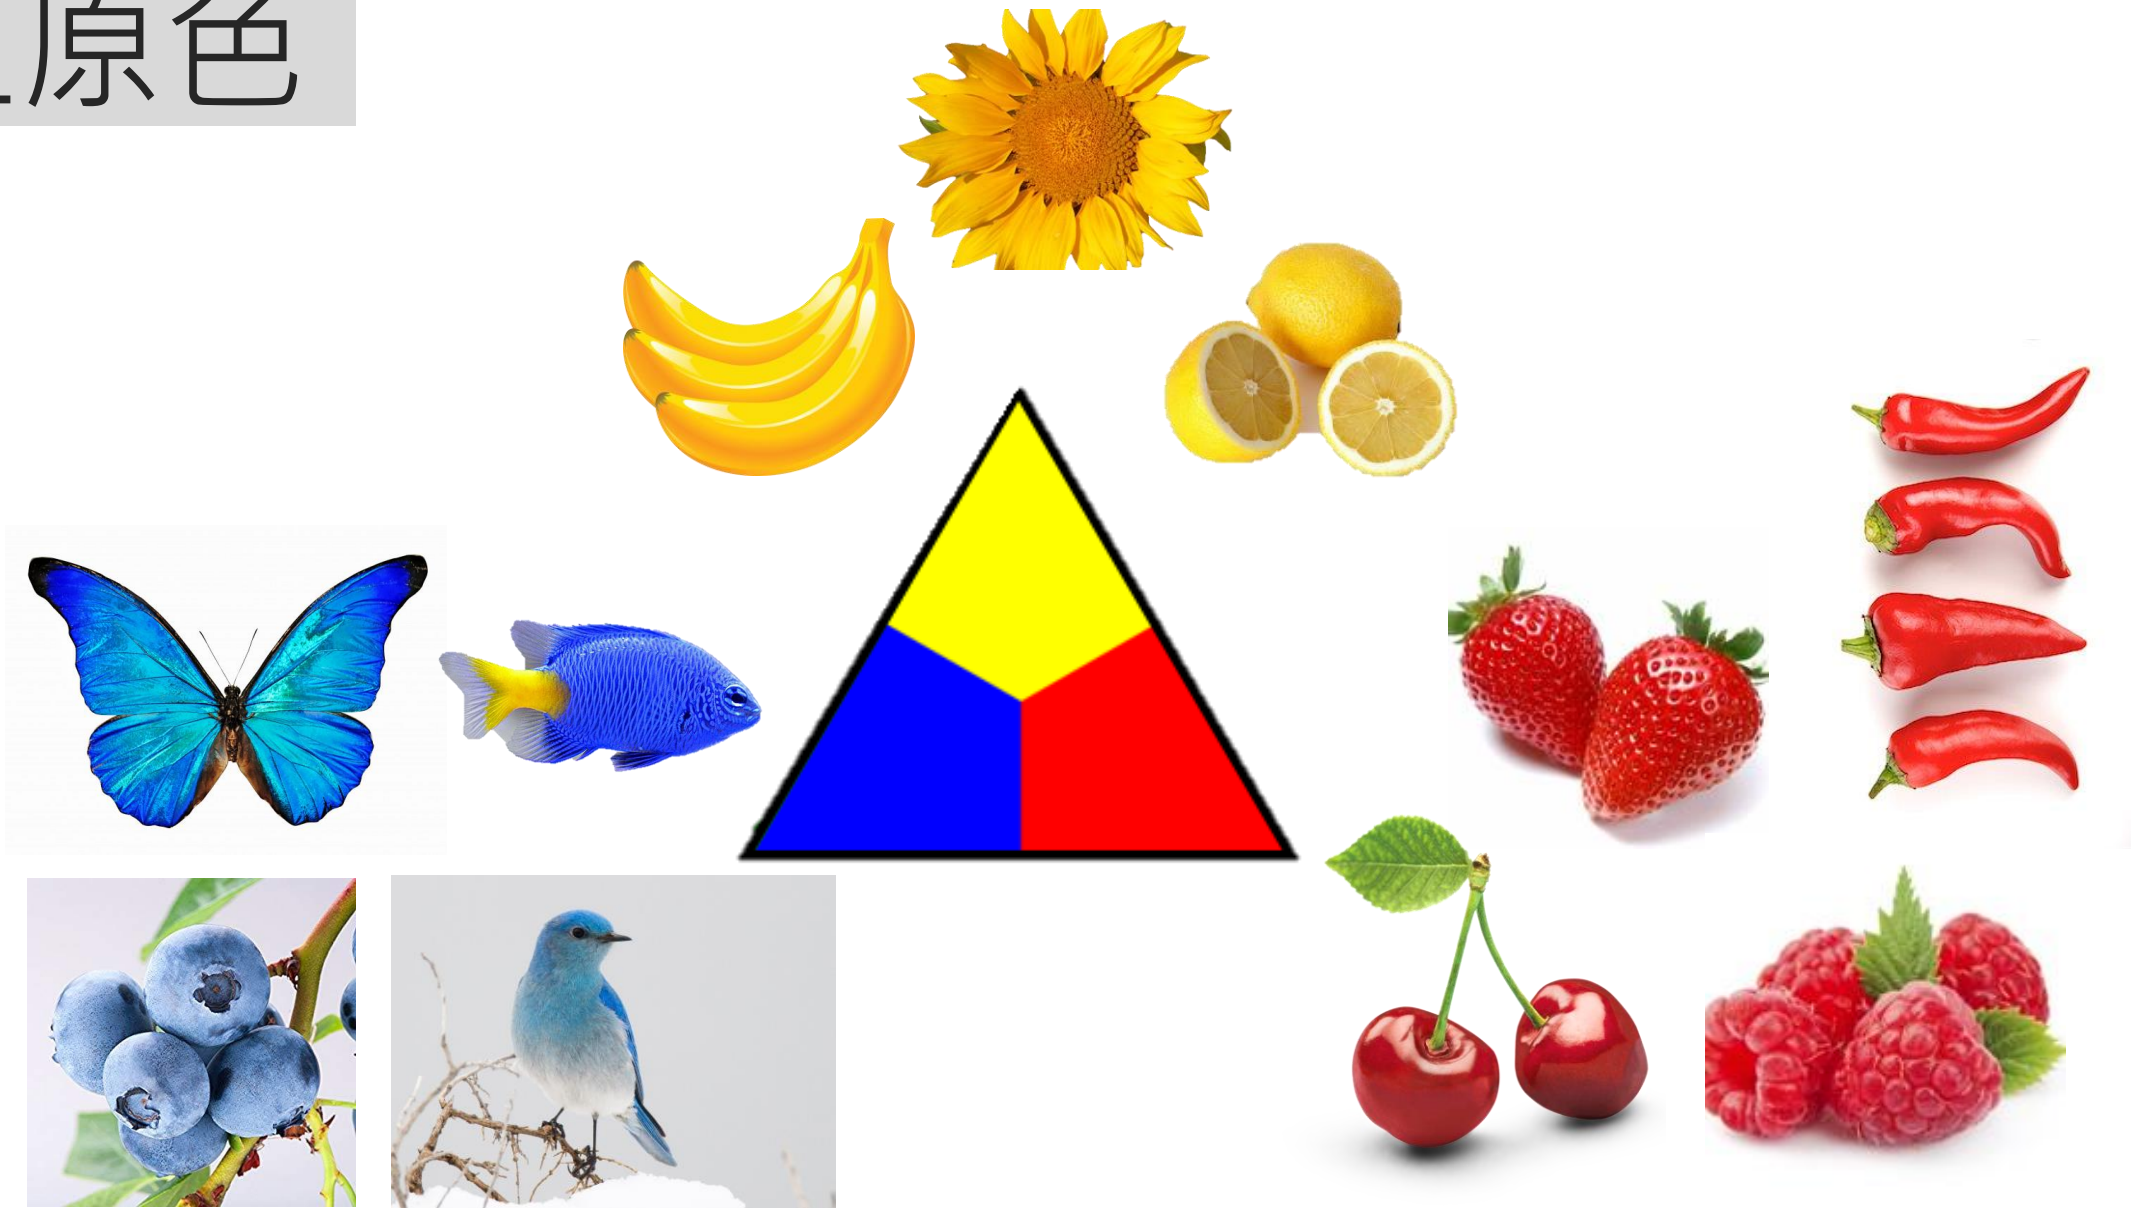

三原色

三原色(primary colour)包括紅黃藍，是不能夠用其他色調出來。

三原色

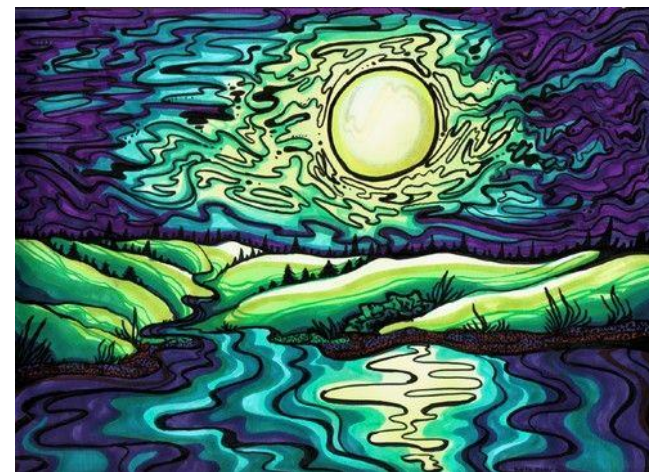

冷暖色

冷色調的藍、紫等則給人冰涼的印象。

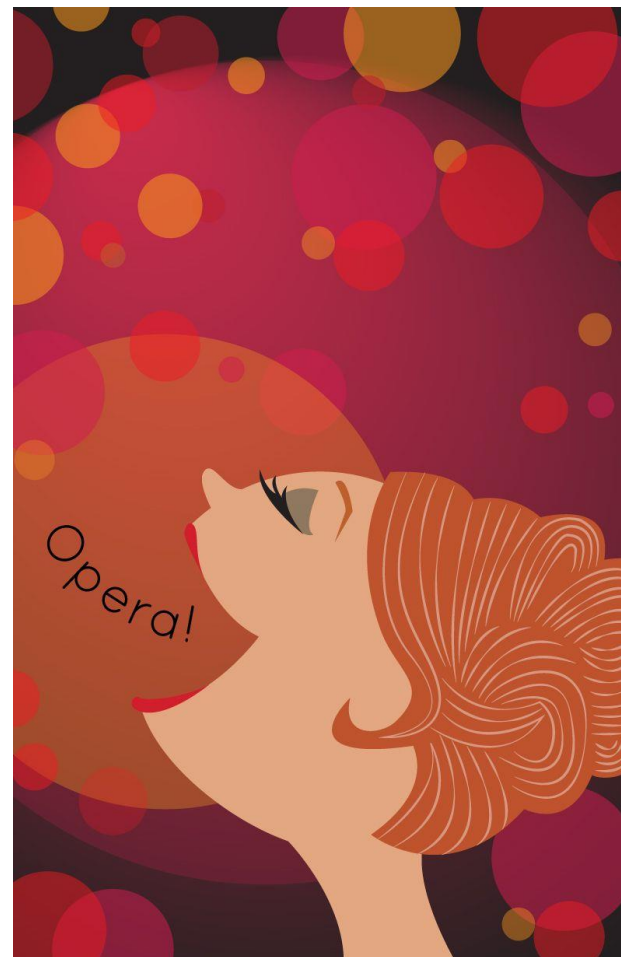

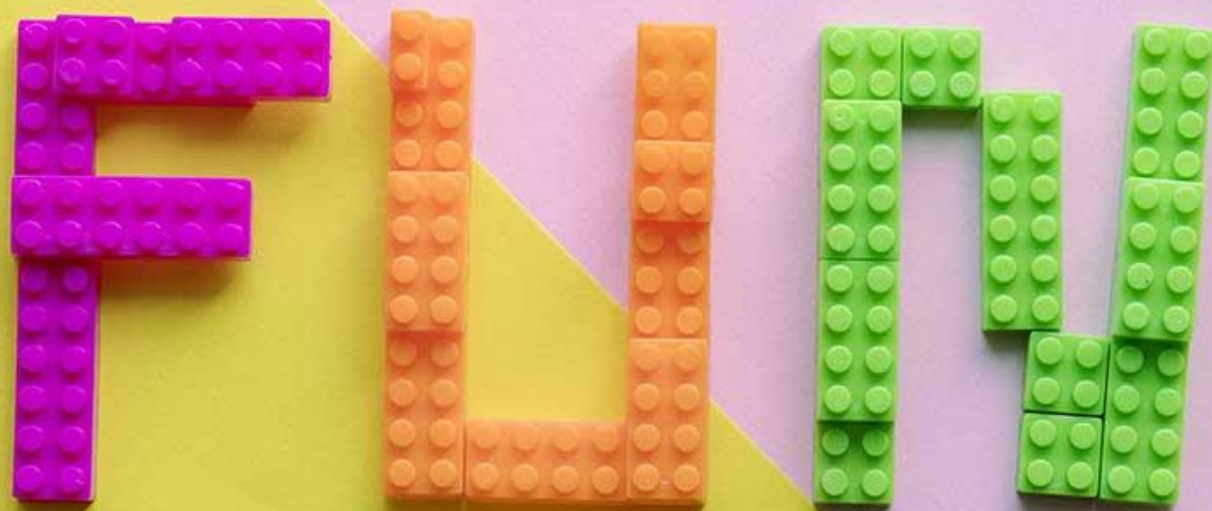

暖色調的紅、黃、橙等，給人愉悅的感覺。

冷色調
